

INTERVENTION LOGIC TABLE (linked to Section 3.1 of the LDS)

Name of LAG: Arwain Sir Benfro
Date Completed/Updated: March 2016

Development Needs / Opportunities	Specific Objective (LEADER – area based, bottom-up, networking, co-operation, intergrated/ multi-sectoral, innovation, partnerships/ local mgt)	Strategic Fit	Type of actions to be supported – SMART actions, state where co-operation action is envisaged	Outputs (from LDS Guidance Monitoring Framework section plus additional indicators/targets set by LAG)	Output Target	Contribution to cross-cutting themes	Who will be involved in the delivery	Timeline (start-finish)
Theme 1: Adding Value to local identity and natural and cultural resources								
Build on sense of place and community identity	Continue to support networks including well-established community groups, forums and associations. Encourage local involvement and engagement. Encourage intergenerational involvement in local development. Celebrate and add value to heritage & culture, e.g. linking local industries to rural social life. Encourage local ownership of community environmental areas – conservation, protection & enhancement. Encourage use of local and community natural resources and develop linkages where appropriate.	Horizon 2020 Better Society RDP Priority 6 Uplands report Vibrant & Viable Places Regeneration Framework (2013) A living language: a language for living 2012-17 (WG) Historic Environment Strategy for Wales Swansea Bay City Region Economic Regeneration Strategy 2013-2023 Teifi Valley Local Growth Zone Theme 1,3 SIP Outcome 3,4, 6 Pembrokeshire Destination Management Plan Pembrokeshire Learning Network Welsh Language Action Plan Woodlands for Wales	Network activity – sharing good practice, information, skills development Positive action measures which engage with isolated individuals and groups within the community Support opportunities for management conservation Support opportunities to develop the agricultural, woodland and other landscapes for, local use / recreation in an environmentally sustainable way. Support opportunities to promote green infrastructure activities to enhance the local environment Enabling access to isolated individuals and groups to participate and benefit from the local community Offering new and building on existing skills of local people Preparation and Implementation of Co-operation activities, Co-operation between groups and organisations through networks: • Support local projects with opportunities to look for and solve issues in an innovative way; • Develop transnational dimensions of proposals, where added value can be achieved by doing so;	<ul style="list-style-type: none"> Jobs created through supported projects (LEADER) Number of feasibility studies Number of networks established Number of jobs safeguarded through supported projects Number of pilot activities undertaken/supported Number of community hubs Number of information dissemination actions/promotional and/or marketing activities to raise awareness of the LDS and/or its projects Number of stakeholders engaged Number of participants supported 	0 1 1 1 4 1 4 8 20	<p>Equal opportunities and gender mainstreaming - to reduce injustice and promote social cohesion, - providing the opportunity for all eligible beneficiaries to participate and use their skills and abilities to raise the levels of GDP in Wales</p> <p>Sustainable development to ensure that economic development will not adversely impact on the environment</p> <p>Tackling poverty and social exclusion focus on actions to create employment and progression opportunities and will help people to access those opportunities</p> <p>Uplands Explore the Uplands sense of place.</p> <p>Welsh language to ensure an increase in the number of people of all ages and from all backgrounds who</p>	LAG thematic sub-group members. Organisation procured to deliver distinct eligible projects. Officers employed by the LAG: Animation Officer. Animation Assistant . Experience Pembrokeshire Officer. Co-operation and Networks Officer	1 January 2015 -31 December 2020
Increase sustainable tourism opportunities and take advantage of 'favourable' aspects of climate change	Exploit natural attractions (in an appropriate way) and distinct cultural heritage and the public desire for activity / 'experience' based holidays Further develop the tourism offer – beyond peak season, niche products etc such as deep tourism, connections to regional activity to increase productivity.	Partnership for growth: The Welsh Government Strategy for Tourism 2013-2020 RDP Priority 6 Science for Wales (2012) (WG) Uplands report SIP Outcome 2,3,4	Network activity – sharing good practice, information, skills development Studies, pilots, facilitation and pre-commercial activities related to recreation and tourism infrastructure and tourist information Preparation and Implementation of Co-operation activities, Co-operation between groups and organisations through networks:				LAG thematic sub-group members. Organisation procured to deliver distinct eligible projects. Officers	1 January 2015 -31 December 2020

	Undertake environmental enhancements. Develop adaptation and mitigation measures.	Pembrokeshire Destination Management Plan Teifi Valley Local Growth Zone Theme 1,3 Woodlands for Wales	<ul style="list-style-type: none"> Support local projects with opportunities to look for and solve issues in an innovative way; Develop transnational dimensions of proposals, where added value can be achieved by doing so; 			are fluent in Welsh and can use the language with their families, in their communities and at work.	employed by the LAG: Animation Officer. Animation Assistant . Experience Pembrokeshire Officer. Co-operation and Networks Officer	
Provide access and undertake activities relating to environmental and landscape assets	Support initiatives that harness local expertise in crafts, rural skills and traditions Promote wider benefits of activity including community cohesion and health and wellbeing	Priorities for Skills (WG) Skills Implementation Plan (WG) Uplands report SIP Outcome 1,3,4, 6 Teifi Valley Local Growth Zone Theme 1,2,3 Woodlands for Wales	<p>Network activity – sharing good practice, information, skills development</p> <p>Studies, pilots, facilitation activities related to the maintenance, restoration and upgrading of the cultural and natural heritage of rural communities, agricultural, forestry and other landscapes and high nature value sites, including related socio-economic aspects and environmental awareness actions</p> <p>Preparation and Implementation of Co-operation activities, Co-operation between groups and organisations through networks:</p> <ul style="list-style-type: none"> Support local projects with opportunities to look for and solve issues in an innovative way; Develop transnational dimensions of proposals, where added value can be achieved by doing so; 				LAG thematic sub-group members. Organisation procured to deliver distinct eligible projects. Officers employed by the LAG: Animation Officer. Animation Assistant . Experience Pembrokeshire Officer. Co-operation and Networks Officer	1 January 2015 -31 December 2020
Theme 2: Facilitating pre-commercial development, business partnerships and short supply chains								
Provide appropriate and relevant support services to businesses	Support to develop market access, access vocational training, meet regulatory requirements and achieve business objectives using, where appropriate and to the extent possible, a coordinated first stop mechanism Increased focus on 'business' (improving profitability and ensuring sustainability - enhancing business skills	Europe 2020 (2010) Economic Renewal: A New Direction (WG) RDP Priorities 1,2,6 Uplands report Swansea Bay City Region Economic Regeneration Strategy 2013-2023 SIP Outcome 2	<p>Network activity – sharing good practice, information, skills development</p> <p>Support opportunities for networking with others developing ideas / businesses</p> <p>Preparation and Implementation of Co-operation activities, Co-operation between groups and organisations through networks:</p> <ul style="list-style-type: none"> Support local projects with opportunities to look for and solve issues in an innovative way; Develop transnational dimensions of proposals, where added value can be 	<ul style="list-style-type: none"> Jobs created through supported projects (LEADER) Number of feasibility studies Number of networks established Number of jobs safeguarded through supported projects Number of pilot activities undertaken/supported Number of community hubs Number of information 	0 2 1 1 3 1	Equal opportunities and gender mainstreaming - to reduce injustice and promote social cohesion, - providing the opportunity for all eligible beneficiaries to participate and use their skills and abilities to raise the levels of GDP in Wales	LAG thematic sub-group members. Organisation procured to deliver distinct eligible projects. Officers employed by the LAG: Animation Officer.	1 January 2015 -31 December 2020

		Teifi Valley Local Growth Zone Theme 1,2 Towards Sustainable Growth: An Action Plan for the Food and Drink Industry 2014-2020	achieved by doing so;	dissemination actions/promotional and/or marketing activities to raise awareness of the LDS and/or its projects <ul style="list-style-type: none"> Number of stakeholders engaged Number of participants supported 	5 4 20	Sustainable development to ensure that economic development will not adversely impact on the environment Tackling poverty and social exclusion focus on actions to create employment and progression opportunities and will help people to access those opportunities Uplands Explore productivity in the Uplands. Welsh language to ensure an increase in the number of people of all ages and from all backgrounds who are fluent in Welsh and can use the language with their families, in their communities and at work.	Animation Assistant . Business Skills Officer Co-operation and Networks Officer	
Continue to exploit strengthened collaboration between producers, processors and retailers and share practice / experiences from around the world and better co-ordinated /shortened supply chain	Support further opportunities for entrepreneurship and farming diversification to increase productivity. Support and increase role of social enterprise to increase productivity. Strengthen and further develop collaborative structures e.g.arts and crafts; horticultural, timber and agricultural processing; food processing.	Horizon 2020 – Better Society RDP Priorities 1,2,3,4 Uplands report Programme for Government (WG) Priorities for Skills (WG) The Food & Drinks Industry Action Plan (WG) SIP Outcome 2 Pembrokeshire Destination Management Plan Teifi Valley Local Growth Zone Theme 1 Towards Sustainable Growth: An Action Plan for the Food and Drink Industry 2014-2020	Network activity – sharing good practice, information, skills development Studies, pilots, facilitation and pre-commercial activities related to farm diversification and the development of non-agricultural activities, the creation of business partnerships, new product development and the development of supply chains Support opportunities for potential applicants to pool ideas, funding and risks in a partnership, Promote opportunities for businesses to diversify or empower people to investigate self-employment options including the possibility for a number of individuals with a shared interest and assorted skill sets to work together. Preparation and Implementation of Co-operation activities, Co-operation between groups and organisations through networks: <ul style="list-style-type: none"> Support local projects with opportunities to look for and solve issues in an innovative way; Develop transnational dimensions of proposals, where added value can be achieved by doing so; 				LAG thematic sub-group members. Organisation procured to deliver distinct eligible projects. Officers employed by the LAG: Animation Officer. Animation Assistant . Rural Enterprise Link Officer Co-operation and Networks Officer	1 January 2015 -31 December 2020
Develop locally relevant learning opportunities such as mentoring and co-working, create upskilling opportunities and address succession	Identify and share good practice to assist better wealth distribution. Pilot initiatives identified through research and knowledge gathering	Horizon 2020 – Better Society RDP Priorities 1,2,3,4 Uplands report Programme for Government (WG) Priorities for Skills (WG) Tackling Poverty Action Plan (WG) SIP Outcome 1,2 Teifi Valley Local Growth Zone Theme 1,2	Network activity – sharing good practice, information, skills development Offer mentors for those who are either establishing a business for the first time or looking to expand and require support to consider their options. Preparation and Implementation of Co-operation activities, Co-operation between groups and organisations through networks: <ul style="list-style-type: none"> Support local projects with opportunities to look for and solve issues in an innovative way; Develop transnational dimensions of 				LAG thematic sub-group members. Organisation procured to deliver distinct eligible projects. Officers employed by the LAG: Animation Officer. Animation	1 January 2015 -31 December 2020

		Towards Sustainable Growth: An Action Plan for the Food and Drink Industry 2014-2020	proposals, where added value can be achieved by doing so;				Assistant . Business Skills Officer Co-operation and Networks Officer	
Promote the business benefits of good environmental management	Adaptation to the changing nature of CAP budget and adaptation / efficiencies Capitalise on the public desire for local, environmentally positive goods and services whether that be stay-cationing, local food with short supply chains, etc Green growth: renewable energy targets and carbon offsetting Utilise eco-systems as an asset – to bring economic value	Horizon 2020 – Better Society RDP Priority 5 One Wales: One Planet (WG) Science for Wales (2012) (WG) Uplands report Swansea Bay City Region Economic Regeneration Strategy 2013-2023 SIP Outcome 2,3 Teifi Valley Local Growth Zone Theme 1 Towards Sustainable Growth: An Action Plan for the Food and Drink Industry 2014-2020	Network activity – sharing good practice, information, skills development Support opportunities to develop business ideas which enhance the environment Preparation and Implementation of Co-operation activities, Co-operation between groups and organisations through networks: • Support local projects with opportunities to look for and solve issues in an innovative way; • Develop transnational dimensions of proposals, where added value can be achieved by doing so;				LAG thematic sub-group members. Organisation procured to deliver distinct eligible projects. Officers employed by the LAG: Animation Officer. Animation Assistant . Business Skills Officer Rural Enterprise Link Officer Co-operation and Networks Officer	1 January 2015 -31 December 2020
Theme 3: Exploring new ways of providing non-statutory local services								
Continue to support the development of community capacity and skills:	Use community development to build a solid foundation for locally based initiatives.. Explore new models of volunteering to encourage “active citizenship” for community benefit Encourage local ownership of community environmental areas – enhancement & leisure Work with community associations and community councils to increase community resilience and cohesion Exploration and implementation of community finance initiatives e.g. crowd funding / community share ownership/ asset development to provide local solutions Encourage and support the	RDP Priority 6 Vibrant & Viable Places Regeneration Framework (2013) Strategy for Older People in Wales 2013-2023 (WG) Uplands report SIP Outcome 1,4,6 Teifi Valley Local Growth Zone Theme 2, 3	Network activity – sharing good practice, information, skills development. Support for community facilities including village shops etc to provide venues for advice / employment/ debt support surgeries etc. Activities which support resource sharing. Opportunities for volunteer training and support. Opportunities which support the development of intergenerational schemes for support and care within the community Opportunities for volunteering to enhance the local environment both physical and natural. Preparation and Implementation of Co-operation activities, Co-operation between groups and organisations through networks:	<ul style="list-style-type: none"> Jobs created through supported projects (LEADER) Number of feasibility studies Number of networks established Number of jobs safeguarded through supported projects Number of pilot activities undertaken/supported Number of community hubs Number of information dissemination actions/promotional and/or marketing activities to raise awareness of the LDS and/or its projects 	0 3 1 1 5 1 4 4	Equal opportunities and gender mainstreaming - to reduce injustice and promote social cohesion, - providing the opportunity for all eligible beneficiaries to participate and use their skills and abilities to raise the levels of GDP in Wales Sustainable development to ensure that economic development	LAG thematic sub-group members. Organisation procured to deliver distinct eligible projects. Officers employed by the LAG: Animation Officer. Animation Assistant . Community Link Officer	1 January 2015 -31 December 2020

	development of innovative solutions to local needs, for example, affordable housing, transport, digital inclusion, etc. Capitalise on skills, knowledge and experience within retired population – e.g. mentoring, intergenerational activity etc.		<ul style="list-style-type: none"> Support local projects with opportunities to look for and solve issues in an innovative way; Develop transnational dimensions of proposals, where added value can be achieved by doing so; 	<ul style="list-style-type: none"> Number of stakeholders engaged Number of participants supported 	20	will not adversely impact on the environment Tackling poverty and social exclusion focus on actions to create employment and progression opportunities and will help people to access those opportunities Uplands Explore community service and asset management in the Uplands. Welsh language to ensure an increase in the number of people of all ages and from all backgrounds who are fluent in Welsh and can use the language with their families, in their communities and at work.	Co-operation and Networks Officer		
Increase ownership of local delivery and develop infrastructure	Develop an appropriate infrastructure for local service delivery and ownership of assets to assist better wealth distribution. Explore the potential of a new “localism infrastructure” of community councils, community associations and community assets Build on existing rural transport schemes to provide innovative transport solutions Explore opportunities to develop new community based rural transport opportunities that meet local needs but also contribute to sustainable tourism Support local communities to take charge of local goods and services in their area Explore opportunities for collaboration and encourage the creation of local networks, for instance to reduce isolation and improve mental well being Support and increase role of social enterprise particularly linked to public service delivery Exploration and implementation of community finance initiatives e.g. crowd funding / community share ownership/ asset development to provide local solutions Promote safe, healthy and affordable lifestyles	Horizon 2020 – Better Society Prioritised National Transport Plan (2011) (WG) RDP Priority 6 Vibrant & Viable Places Regeneration Framework (2013) Strategy for Older People in Wales 2013-2023 (WG) Swansea Bay City Region Economic Regeneration Strategy 2013-2023 Uplands report Stronger Communities: Better Services (Community Voice programme) SIP Outcome 1,3,4,6 Pembrokeshire Destination Management Plan Teifi Valley Local Growth Zone Theme 3	Network activity – sharing good practice, information, skills development Plans for the development of towns and villages in rural areas and their rural services Studies, pilots and facilitation activities related to the setting-up, improvement or expansion of local basic services for a rural community, including leisure and culture Actions which address community transport issues for a range of activities including: Training; employment advice; family support services; mobile crèche; health and welfare services etc. to overcome isolation and exclusion. Preparation and Implementation of Co-operation activities, Co-operation between groups and organisations through networks: <ul style="list-style-type: none"> Support local projects with opportunities to look for and solve issues in an innovative way; Develop transnational dimensions of proposals, where added value can be achieved by doing so; 				LAG thematic sub-group members. Organisation procured to deliver distinct eligible projects. Officers employed by the LAG: Animation Officer. Animation Assistant . Community Link Officer Co-operation and Networks Officer	1 January 2015 -31 December 2020	
Theme 4: Renewable energy at Community level									
Support communities to take advantage of renewable energy potential from environmental sources – e.g. solar, tidal, marine, hydro and wind	Continue to support community based network to develop capacity and knowledge Explore community based, off- grid and local grid distribution networks for renewable energy generation Seek local, national and transnational	RDP Priority 5 Uplands report Swansea Bay City Region Economic Regeneration Strategy 2013-2023 SIP Outcome 2	Network activity – sharing good practice, information, skills development Studies, pilots and facilitation activities related to the creation, improvement or expansion of small scale infrastructure, including investments in renewable energy Preparation and Implementation of Co-operation activities to gather information and	<ul style="list-style-type: none"> Jobs created through supported projects (LEADER) Number of feasibility studies Number of networks established Number of jobs safeguarded through 	0 1 0 0	Equal opportunities and gender mainstreaming - to reduce injustice and promote social cohesion, - providing the opportunity for all eligible	LAG thematic sub-group members. Organisation procured to deliver distinct eligible projects.	1 January 2015 -31 December 2020	

	good practice in community owned schemes and transfer good practice to address unequal wealth distribution.	Teifi Valley Local Growth Zone Theme 1 Marine Energy Pembrokeshire Business Plan (2011-2014)	good practice from elsewhere and disseminate. Advice and support for communities to deliver energy check schemes to individuals Dissemination of energy information in a way which is accessible and fit for purpose within the local community. Preparation and Implementation of Co-operation activities, Co-operation between groups and organisations through networks: <ul style="list-style-type: none"> Support local projects with opportunities to look for and solve issues in an innovative way; Develop transnational dimensions of proposals, where added value can be achieved by doing so; 	supported projects <ul style="list-style-type: none"> Number of pilot activities undertaken/supported Number of community hubs Number of information dissemination actions/promotional and/or marketing activities to raise awareness of the LDS and/or its projects Number of stakeholders engaged Number of participants supported 	3 1 2 3 20	beneficiaries to participate and use their skills and abilities to raise the levels of GDP in Wales Sustainable development to ensure that economic development will not adversely impact on the environment Tackling poverty and social exclusion focus on actions to create employment and progression opportunities and will help people to access those opportunities Uplands Explore the potential for community renewable energy in Upland areas. Welsh language to ensure an increase in the number of people of all ages and from all backgrounds who are fluent in Welsh and can use the language with their families, in their communities and at work.	Officers employed by the LAG: Animation Officer. Animation Assistant . Community Renewable Energy Officer Co-operation and Networks Officer	
Encourage and support communities to adopt energy saving and conservation techniques	Continue to support community based network to develop capacity and knowledge.	RDP Priority 5 Uplands report Swansea Bay City Region Economic Regeneration Strategy 2013-2023 SIP Outcome 2 Teifi Valley Local Growth Zone Theme 1	Network activity – sharing good practice, information, skills development Studies, pilots and facilitation activities related to the creation, improvement or expansion of small scale infrastructure, including investments in renewable energy , energy efficiency and energy saving Preparation and Implementation of Co-operation activities, Co-operation between groups and organisations through networks: <ul style="list-style-type: none"> Support local projects with opportunities to look for and solve issues in an innovative way; Develop transnational dimensions of proposals, where added value can be achieved by doing so; 				LAG thematic sub-group members. Organisation procured to deliver distinct eligible projects. Officers employed by the LAG: Animation Officer. Animation Assistant . Community Renewable Energy Officer Co-operation and Networks Officer	1 January 2015 -31 December 2020
Theme 5: Exploitation of digital technology								

<p>Work towards digital inclusion for all – reducing isolation and including social, cultural, and tele-health opportunities and skills development</p>	<p>Improve access to infrastructure and adopt new technology in order to improve business efficiency, community life and maximise on R&D.</p> <p>Support technological innovations to reduce waste, reduce costs and increase margins e.g. internet sales.</p> <p>Enhance transferability of knowledge and improve provision of support for learning and opportunities for improved productivity,</p>	<p>Horizon 2020 Competitive Industries</p> <p>RDP Priority 6</p> <p>Delivering a Digital Wales (WG)</p> <p>Delivering Digital Inclusion: A strategic framework for Wales (2010) (WG)</p> <p>Strategy for Older People in Wales 2013-2023 (WG)</p> <p>Swansea Bay City Region Economic Regeneration Strategy 2013-2023</p> <p>Uplands report</p> <p>SIP outcome 1, 2,6</p> <p>Teifi Valley Local Growth Zone Theme 2,3</p>	<p>Network activity – sharing good practice, information, skills development</p> <p>Studies, pilots and facilitation activities related to the exploitation and provision of access to broadband and digital technologies</p> <p>Support for ICT community provision e.g. hubs to enable participation especially in relation to training and employment support</p> <p>Preparation and Implementation of Co-operation activities, Co-operation between groups and organisations through networks:</p> <ul style="list-style-type: none"> • Support local projects with opportunities to look for and solve issues in an innovative way; • Develop transnational dimensions of proposals, where added value can be achieved by doing so; 	<ul style="list-style-type: none"> • Jobs created through supported projects (LEADER) • Number of feasibility studies • Number of networks established • Number of jobs safeguarded through supported projects • Number of pilot activities undertaken/supported • Number of community hubs • Number of information dissemination actions/promotional and/or marketing activities to raise awareness of the LDS and/or its projects • Number of stakeholders engaged • Number of participants supported 	<p>0</p> <p>2</p> <p>1</p> <p>0</p> <p>3</p> <p>1</p> <p>3</p> <p>1</p> <p>15</p>	<p>Equal opportunities and gender mainstreaming - to reduce injustice and promote social cohesion, - providing the opportunity for all eligible beneficiaries to participate and use their skills and abilities to raise the levels of GDP in Wales</p> <p>Sustainable development to ensure that economic development will not adversely impact on the environment</p> <p>Tackling poverty and social exclusion focus on actions to create employment and progression opportunities and will help people to access those opportunities</p> <p>Uplands explore digital connectivity between and within Upland communities to improve services or economic output.</p> <p>Welsh language to ensure an increase in the number of people of all ages and from all backgrounds who are fluent in Welsh and can use the language with their families, in their communities and at work.</p>	<p>LAG thematic sub-group members.</p> <p>Organisation procured to deliver distinct eligible projects.</p> <p>Officers employed by the LAG:</p> <p>Animation Officer.</p> <p>Animation Assistant .</p> <p>Digital Link Officer</p> <p>Co-operation and Networks Officer</p>	<p>1 January 2015 -31 December 2020</p>
<p>Ensure that best use is made of new and arriving technology</p>	<p>Exploit technology for access to information and interpretation.</p> <p>Promote the benefits of future broadband provision and investigate how businesses might work co-operatively to exploit technology to maximum advantage.</p> <p>Explore opportunities for the development of a community network of Digital Access Points</p> <p>Encourage the development of community based volunteer initiatives to support digital inclusion, particularly for older people and people with disabilities.</p>	<p>Horizon 2020 Competitive Industries</p> <p>Delivering a Digital Wales (WG)</p> <p>Delivering Digital Inclusion: A strategic framework for Wales (2010) (WG)</p> <p>Uplands report</p> <p>Swansea Bay City Region Economic Regeneration Strategy 2013-2023</p> <p>Teifi Valley Local Growth Zone Theme 3</p>	<p>Network activity – sharing good practice, information, skills development</p> <p>Studies, pilots and facilitation activities related to the exploitation and provision of access to broadband and digital technologies</p> <p>Preparation and Implementation of Co-operation activities, Co-operation between groups and organisations through networks:</p> <ul style="list-style-type: none"> • Support local projects with opportunities to look for and solve issues in an innovative way; • Develop transnational dimensions of proposals, where added value can be achieved by doing so; 				<p>LAG thematic sub-group members.</p> <p>Organisation procured to deliver distinct eligible projects.</p> <p>Officers employed by the LAG:</p> <p>Animation Officer.</p> <p>Animation Assistant .</p>	<p>1 January 2015 -31 December 2020</p>

							Digital Link Officer.	
							Co-operation and Networks Officer	
Co-operation								
Co-operation is an important element of the LEADER methodology and while it can evolve in stages from exchange of experience, to the transfer of promising practice to a common action, a single project can also encompass all three if managed well. The LAG will seek to undertake activity at all three levels.	Provide local projects with a new dimension, since these types of activities provide stakeholders with alternative and novel opportunities to look for and solve issues in innovative ways.	<p>Horizon 2020 Competitive Industries</p> <p>RDP Priority 6</p> <p>Delivering a Digital Wales (WG)</p> <p>Delivering Digital Inclusion: A strategic framework for Wales (2010) (WG)</p> <p>Strategy for Older People in Wales 2013-2023 (WG)</p> <p>Swansea Bay City Region Economic Regeneration Strategy 2013-2023</p> <p>Uplands report</p> <p>SIP outcome 1, 2,6</p> <p>Teifi Valley Local Growth Zone Theme 2,3</p>	<p>Preparation and Implementation of Co-operation activities, Co-operation between groups and organisations through networks:</p> <ul style="list-style-type: none"> Support local projects with opportunities to look for and solve issues in an innovative way; Develop transnational dimensions of proposals, where added value can be achieved by doing so. 	<ul style="list-style-type: none"> Jobs created through supported projects (LEADER) Number of feasibility studies Number of networks established Number of jobs safeguarded through supported projects Number of pilot activities undertaken/supported Number of community hubs Number of information dissemination actions/promotional and/or marketing activities to raise awareness of the LDS and/or its projects Number of stakeholders engaged Number of participants supported Number of operations Number of LAGs involved in the Co-operation Number of Inter-Territorial Co-operation (ITC) projects Number of Trans-National Co-operation (TNC) projects 	<p>0</p> <p>1</p> <p>1</p> <p>0</p> <p>0</p> <p>0</p> <p>2</p> <p>5</p> <p>10</p> <p>2</p> <p>4</p> <p>1</p> <p>1</p>	<p>Equal opportunities and gender mainstreaming - to reduce injustice and promote social cohesion, - providing the opportunity for all eligible beneficiaries to participate and use their skills and abilities to raise the levels of GDP in Wales</p> <p>Sustainable development to ensure that economic development will not adversely impact on the environment</p> <p>Tackling poverty and social exclusion focus on actions to create employment and progression opportunities and will help people to access those opportunities</p> <p>Uplands explore co-operation activities between and within Upland communities to improve services or economic output.</p> <p>Welsh language to ensure an increase in the number of people of all ages and from all</p>	<p>LAG thematic sub-group members.</p> <p>Organisation procured to deliver distinct eligible projects.</p> <p>Officers employed by the LAG:</p> <p>Animation Officer.</p> <p>Animation Assistant .</p> <p>Relevant thematic link officer.</p> <p>Co-operation and Networks Officer</p>
